

Course speaker

Professor Dr. David Ngeow,
BDS, FFDRCS (Ire), FDSRCS (Eng),
MDS (Mal), PhD (Sheffield), FAMM
Professor of Oral & Maxillofacial Surgery,
Faculty of Dentistry, University of Malaya

Curriculum vitae

Professor Dr. David Ngeow is currently a lecturer at the Department of Oral & Maxillofacial Clinical Sciences, Faculty of Dentistry of the University of Malaya. He was a visiting professor at the University of California, San Francisco in 2015/2016. He graduated from the University of Malaya in 1992 and was a private practitioner for 9 months before he was offered the post of tutorship at his alma mater. Three years later, he became a Senior House Officer at the Queen Victoria Hospital in East Grinstead, England, where he obtained his Fellowship in Dental Surgery from the Royal College of Surgeons in Ireland and the Royal College of Surgeons of England. He subsequently returned to Malaysia and was a pioneer lecturer at the then newly established Universiti Kebangsaan Malaysia. He later became a lecturer at the University of Malaya in 2000. He has published 159 papers in local and international journals, and was the Editor of the Malaysian Dental Journal from 2005-2007 and the Editor of the MDA Newsletter for 2015. His research interests are craniofacial anthropometry, variations of the mandibular nerve, and recovery of peripheral nerves after microsurgical repair.

Professor Dr. David Ngeow, BDS, FFDRCS (Ire), FDSRCS (Eng), MDSc (Mal), PhD (Sheffield), FAMM. He is currently a lecturer at the Department of Oral & Maxillofacial Clinical Sciences, Faculty of Dentistry of the University of Malaya. He was a visiting professor at the University of California, San Francisco in 2015/2016. He was a pioneer lecturer at the then newly established Universiti Kebangsaan Malaysia in 1996. He later became a lecturer at the University of Malaya in 2000. He has published 159 papers in local and international journals, and was the Editor of the Malaysian Dental Journal from 2005-2007 and the Editor of the MDA Newsletter for 2015. His research interests are craniofacial anthropometry, variations of the mandibular nerve, and recovery of peripheral nerves after microsurgical repair.

Assoc. Prof. Dr. Chai Wen Lin, BDS, FDSRCS (Eng), FDSRCS (Edin), MDSc (Mal), PhD (Sheffield), AM. She is currently a lecturer at the Department of Restorative Dentistry, Faculty of Dentistry of the University of Malaya. She obtained a Master of Dental Science in 2006 and a PhD in 2011. Her PhD research work on the soft tissue-implant interface at the University of Sheffield has yielded several important publications in the key implant journals. She was awarded an Excellent Exchange Award by University of Sheffield that gave her the opportunity to work at the famous Faculty of Dentistry of the University of Gothenburg, Sweden, under the tutelage of Prof Peter Thomsen. In 2016, she was appointed as a visiting scholar at UCLA, USA, with attachment in Hospital Dentistry, and involvement in research work related to zirconia implant. In 2016, her contribution to dentistry was recognised the Royal College of Surgeon of Edinburgh with her being awarded a Fellowship in Dental Surgery. She was the Editor of the Malaysian Dental Journal for several years. Her main research interests are implant-soft tissue interface, zirconia implant, photofunctionalization and pulpal regeneration.

SATURDAY 29th June 2019

Speaker: Assoc. Prof. Dr Chai Wen Lin

9.30 - 10.00 am: Registration

9.30 - 12.30 pm: Prosthetic Implant Dentistry I

12.30 - 1.30 pm: Lunch break

2.00 - 3.30 pm: Prosthetic Implant Dentistry II

- Pink and white aesthetic & prosthetic challenge
- Step by step for implant prosthesis
- Understanding of Osstem prosthetic component
- Impression technique
- Temporization
- Cemented type/screw retained implant crown
- Delivery of implant prosthesis
- Occlusion & What to check during issue stage?

3.30 - 5.00pm: Hands-on Impression taking with A/P Dr Chai Wen Lin (open tray versus closed tray)

SUNDAY 30th June 2019

Speaker: Prof. Dr. David Ngeow
