

Benefits of membership

Dental Protection has supported and protected members in Malaysia for over 40 years. With more than 125 years of expertise worldwide, we're here for you, today, tomorrow and into the future.

Our protection provides you with intelligent risk management, the very best legal defence and an influential voice for your profession, giving you the freedom to practise with confidence.

We are here for you through any professional challenges you may face, from patient complaints to regulatory issues and disciplinary proceedings.

Our expert teams understand the challenges of clinical practice, with dentist to dentist support and advice. You can contact us in an emergency anytime, 24/7.

Membership benefits

Clinical negligence

You can request indemnity for clinical negligence claims (not applicable to public or employer indemnity) and Good Samaritan acts worldwide.
